Foreword

It is our hope that in days to come this book will grow in value. Many years from now, you will leaf through this 1954 annual and recall various experiences in high school. Many of the happenings will be brought to life by sight of an old friend's face.

We, of the annual staff sincerely hope that the 1954 Pelmel will help you re-live your high school days. May it bring you joy on some reminiscent night in the far-distant future. We further hope that it will bind you closer to your present friends--that those whom you have greeted in the halls of your Alma Mater, may never be forgotten as you pass down the corridors of time.

We would like to thank all members of the faculty, every student, and friend who helped us to make this book possible.

Now we present to you, students and faculty of P.C.H.S., your 1954 annual.

Dedication

We the senior class, dedicate this volume of the Pelmel to all students who follow us. To those who are in school now and to all those who enter in the years to come. We dedicate this record of classes, activities, sports and school life in all of its phases. We sincerely hope that P.Ç.H.S. will be as dear to you as it is to each of us, and that your school days will be as happily and as profitably spent as we feel that ours have been.

It has been a pleasure to serve you this year. School affairs, with the exception of a few chuckholes, ran smoothly for the year 53-54. There has been no lack of school spirit or cooperation on the part of the student body or faculty.

You have all probably heard of the venerable typing exercise that begins, "Now is the time----."

Well the time is here to thank you for your help in making this year a successful one. I sincerely hope our Alma Mater will continue to be a success in helping students get the right start.
